Our New Principal — Robert

Dedication

On behalf of the entire student body at Pioneer, the Annual Staff takes great pride in dedicating the 1980 TORCH to a man whose personal interest in kids has given our campus an "alive, new feeling."

Born in Detroit, Michigan, he moved with his family to Tucson and attended high school there. He graduated from the University of Arizona with a BA in Biology. Then it was on to UCLA and USC for his graduate work. After attaining his Masters degree at Long Beach State, he came to Whittier in 1954, where he taught 8th grade at South Whittier Jr. High.

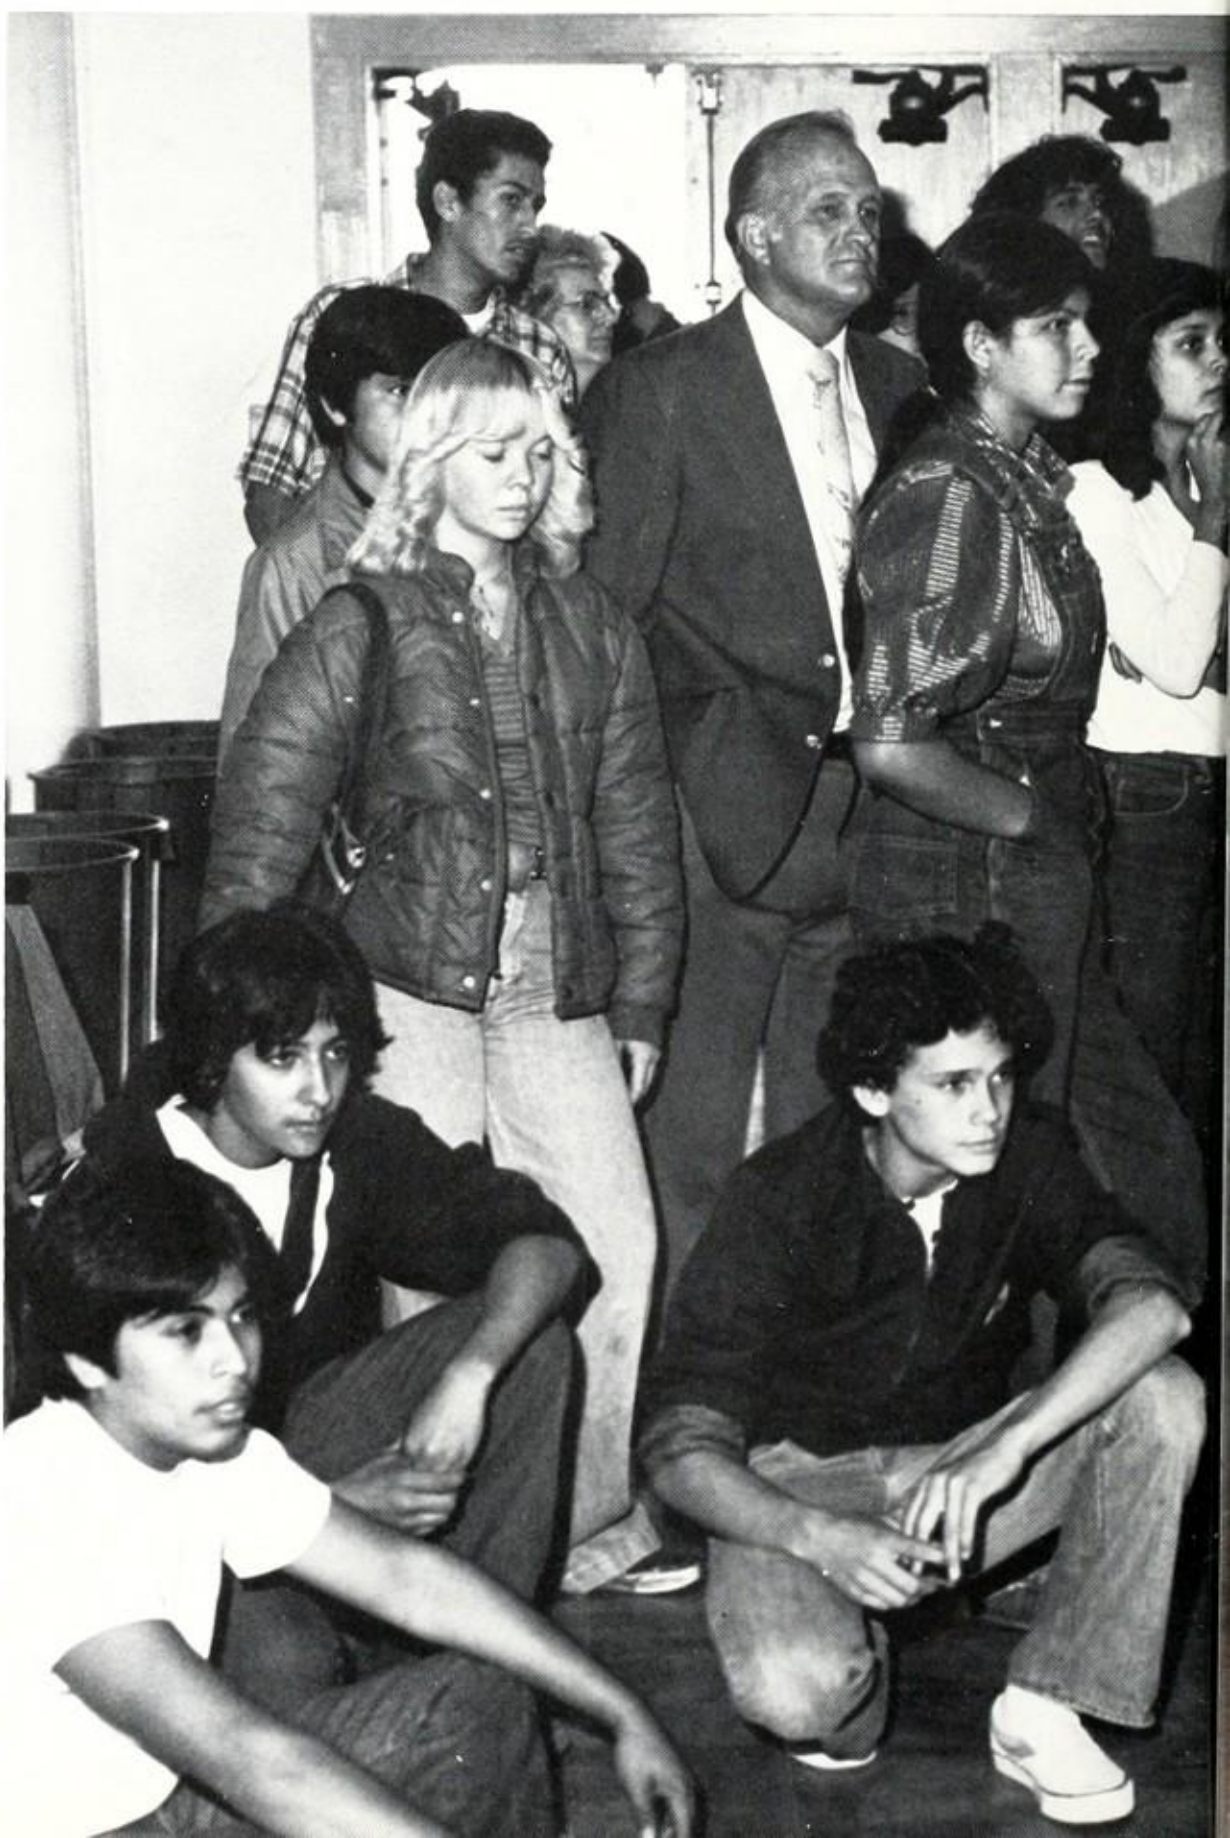

When Sierra opened in 1957, he went there and began to teach science. He became department chairperson and later, curriculum coordinator. Apparently enjoying the job of curriculum coordinator, he then became Assistant Principal of Curriculum at Monte Vista. After holding this job for several years, he then moved back to Sierra and became the Principal for four years, until its closing in 1979.

As busy as this man has been, he had time to raise a wonderful family. His family includes a married daughter, who is a teacher; twin sons, one a business major, the other a speech pathology/audiology major; and another daughter, who is a freshman at Cal-State Fullerton.

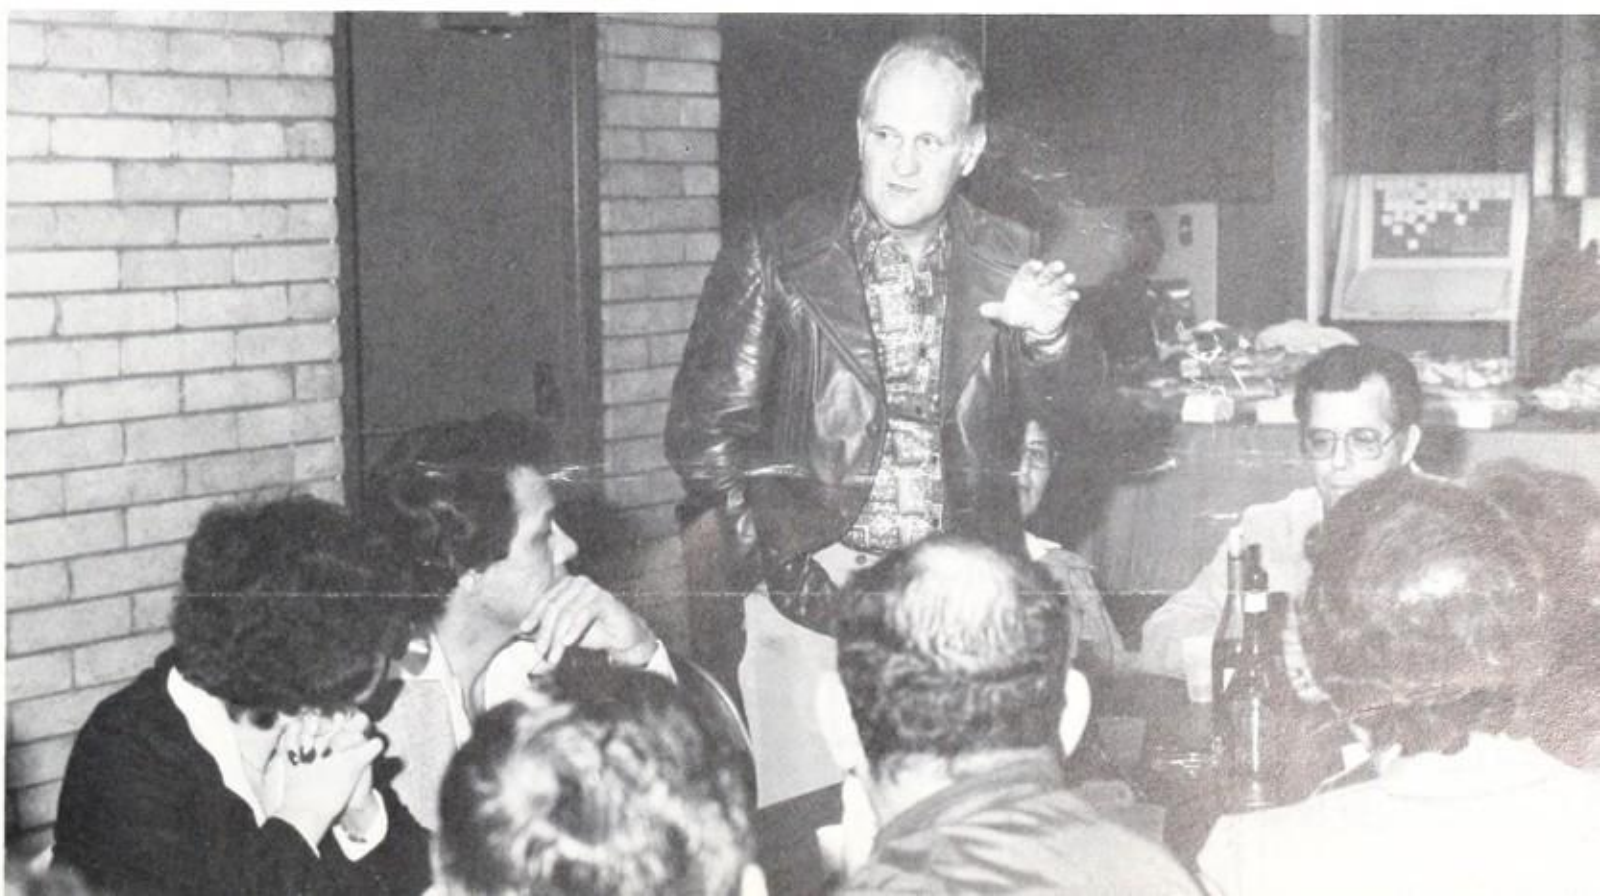

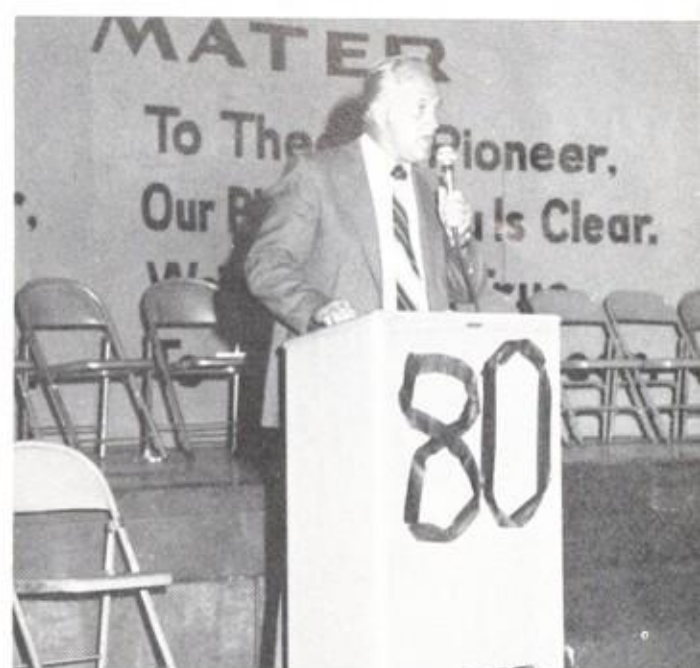

Ever since he stepped foot on Pioneer's campus to be our new Principal, everyone and everything on it seems to have a renewed and upbeat feeling. The kids love him because he takes the time to get to know each of them personally. The faculty enjoys him because of the jokes he tells them during the early-morning faculty meetings.

For bringing all the newness, warmth and love to our campus and for being a caring and understanding man, the 1980 TORCH is dedicated to . . .

LAW...

Senate is a group of class presidents, club presidents, and representatives of various groups on campus. They are one of the three main bodies of the ASB government. Led by vice-presidents, Drew Koen and Dwayne Roscoe, with the help of advisor Lee Panagos, they managed to help bring out new ideas for the student body, such as a car smash and headed the class campus campaign for our Knotts Berry Farm trip.

Varsity Yell Does It in the Rah!

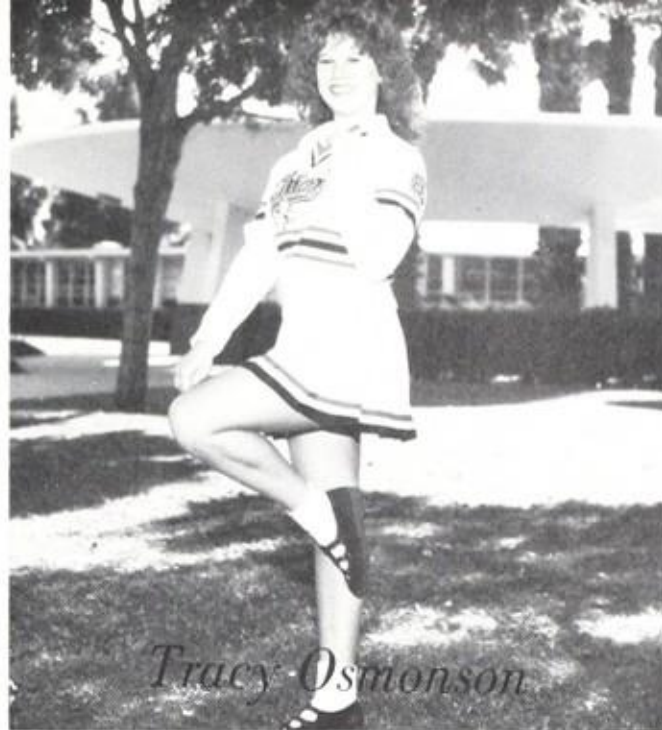

Varsity Yell started this year off on the right foot by taking the Spirit Jug, two first place trophies and overall sweepstakes at Hibbards Camp. They enjoyed themselves at the Pomona Fair and represented Pioneer in other competitions, including a state competition. They also showed their precision and enthusiasm at assemblies and pep rallies. The "Scag-leaders," as they are known in the pep squad are a very crazy bunch of girls.

The Songleaders Know All the Moves!

The Songleaders started their year off by performing at the Pomona Fair with the rest of the pep squad. They had a very busy year supporting all our athletic teams, and representing Pioneer at various competitions including State. The squad, headed by Maria Valdez, had a very rewarding year. The Songleaders are sometimes known to the other pepsters as "Song-Dogs". There is a favorite phrase in the song squad: "There's no stopping the Snake Leaders."

End Another Successful Year

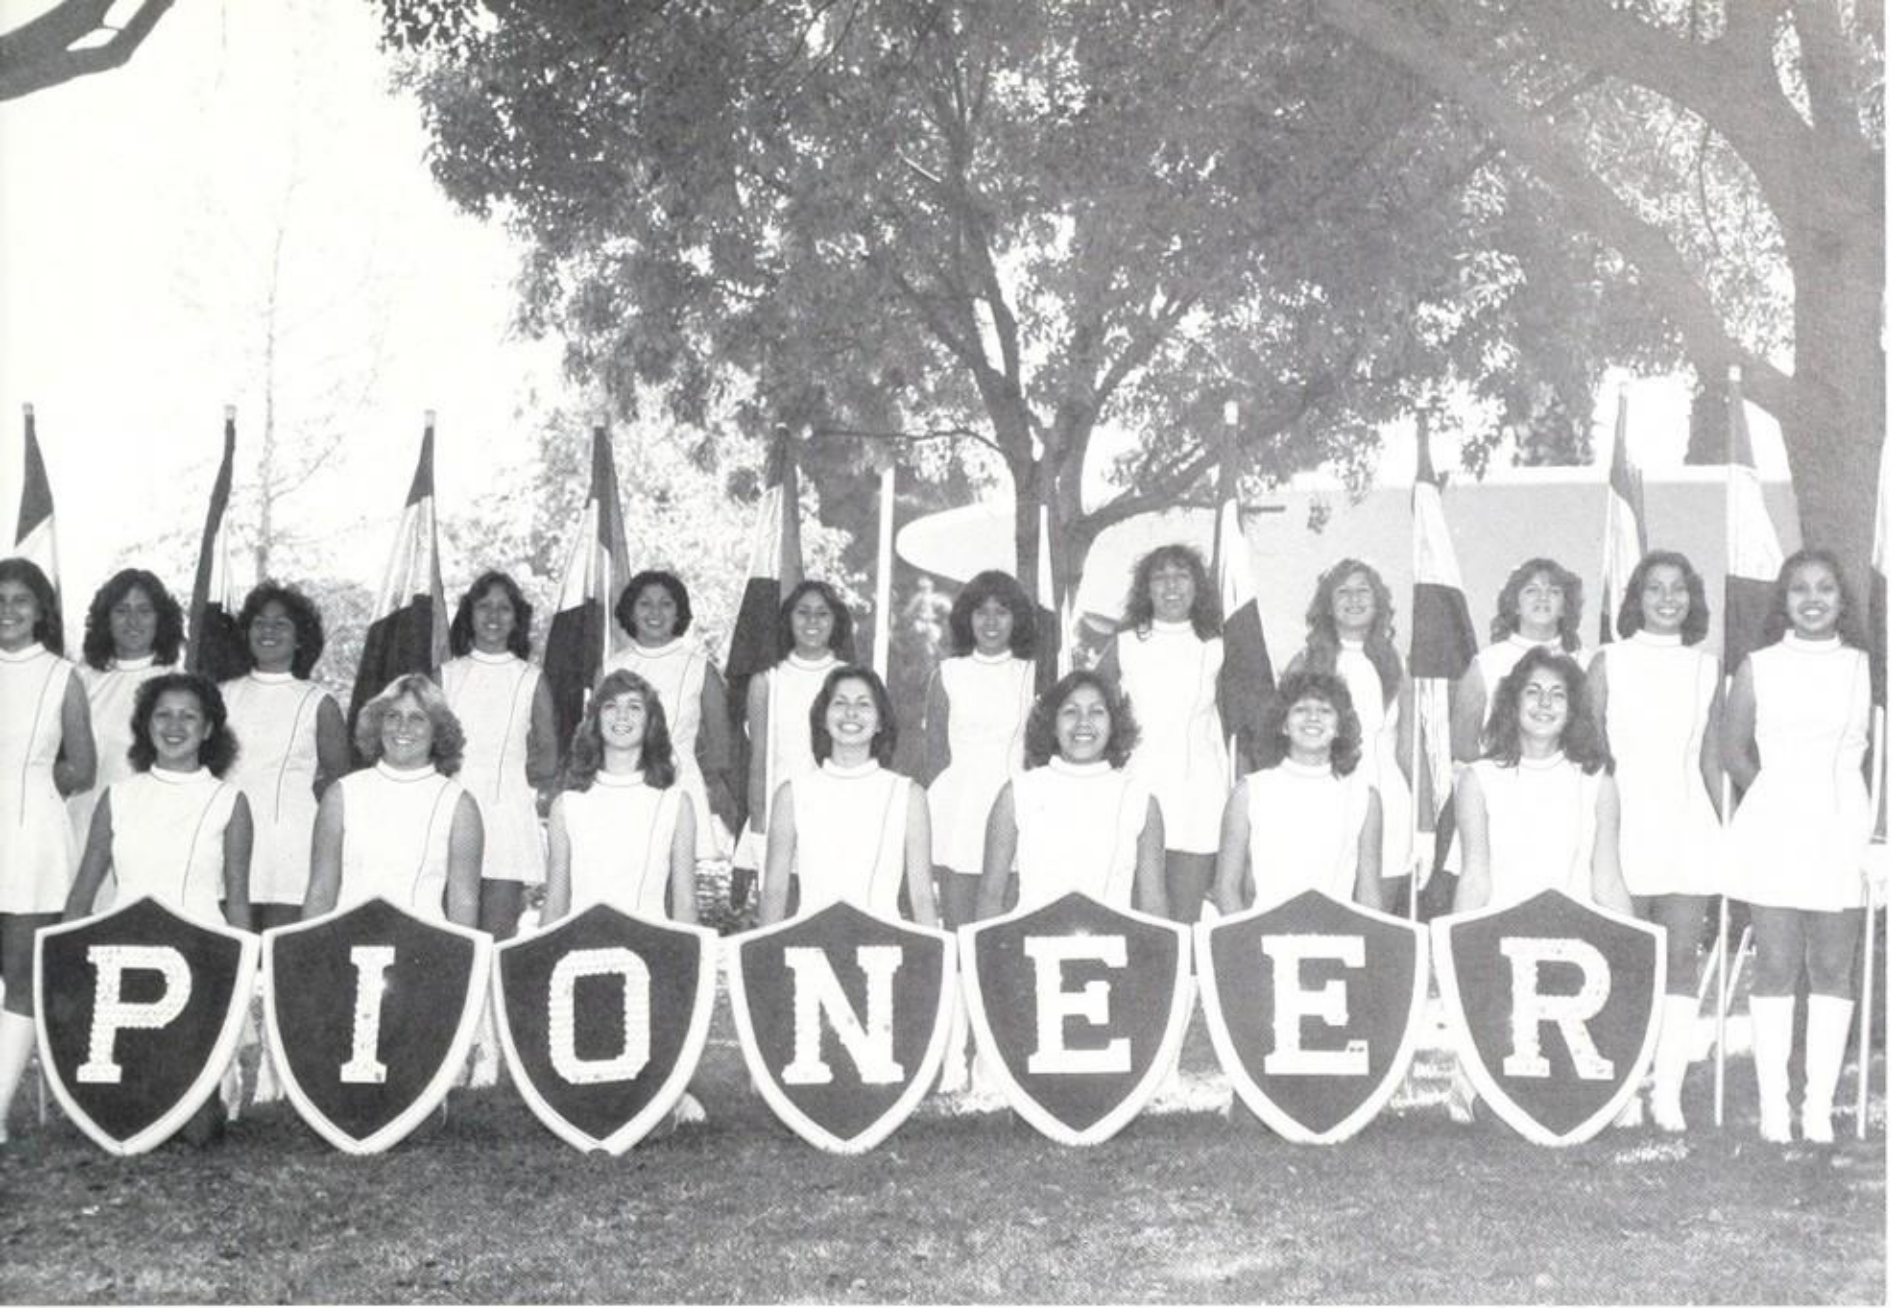

The 1979-80 Pioneer Titanette Drill Team had a year filled with a variety of activities. Under the direction of their advisor Miss Marilyn Littlefield, leader Deanna Flores, and assistants JoAnn Viramontes and Claudia Cruz, the Drill Team started off the year with the large task of preparing for nine half-time shows (the most ever attempted by the Titanettes), six parades, the Pomona Fair, and the Whittier District Band Review.

With the prospect of a trip to the Caribbean, the girls plunged into fund-raising activities. They sponsored a carwash, a menudo breakfast, and sold Christmas trees, Bonus Books, and Amway products.

The year ended with the annual Awards Night where the new leaders were announced and a new generation of Titanettes began.

COMPETITORS

The Pioneer Varsity coaching staff would like to express their thanks to the members of the 1979 Varsity Football Squad. The players worked extremely hard from January until the season ended with Pioneer rated no. 9. They missed the league championship by an eyelash, but showed style in CIF competition. To the seniors; The staff was grateful for your leadership, sacrifice, poise in stressful situations, and teamwork. To the returning juniors and sophomores: we present you with the challenge of carrying on the "Black Attack" tradition of appearing in the CIF playoffs for the fourth straight year. Respectfully, the Pioneer Football Coaching Staff.

Under the successful coaching of Tommy Castro and Michael Hernandez the Pioneer Cross-Country Team dominated the Whitmont League. The varsity and J.V. teams ran through an undefeated season closely followed by the Frosh-Soph, who took an upset from Montebello 29-26 (lowest score wins).

The varsity runners formed a strong, well balanced team. With runners Alfred Salas, who ran a lifetime best of 15:23, also selected to the 1st team All Whitmont League, Chris Fresquez and Frank Guzman who were selected to the 2nd team All Whitmont League and ran course times of 15:25 and 15:21, John Gutierrez — team captain, and Johnny Serrano ran respectively all season, along with Hector DeLaTorre and Felipe Lugo, all worked together to create, "The best team in Pioneer history," stated head-coach Tommy Castro. The varsity once again performed in CIF competition where they placed 7th in the 2A division. Representing the J.V. team were Mannuel Garcia-Whitmont League Champion, David Hernandez, and seniors Mannuel Garcia and John Garcia. The Frosh-Soph team excelled with talent from runners such as David Chavez, who led the dual meets with a two-mile best of 10:29 and Roman Cota, who also represented the varsity in CIF, other members were Eric Gonzalez and Eddie Serrano.

The Titan Teams also ran well at Invitationals. Early in the season the juniors placed third at the Dana Hills Invitational, following were the sophomores who placed second at the Mt. Sac Invitational, both received plaques.

"A Job Well Done!"

Once again our Pioneer Varsity Basketball team had a very successful season. Although having only three starters over 6', Pioneer finished with a very respectable record in pre-season and league. Our Titans finished 2nd in the La Canada Tournament and 2nd in the Pioneer Tournament losing to Lompoc by 1 point. In league, Pioneer finished in a tie for 2nd place, lone game out of 1st place as they did last year.

For the 2nd consecutive year, Pioneer entered C.I.F. competition and represented our school very well. Our boosters and pepsters really came through with great support. Pioneer lost to Mission Viejo who eventually made the finals. To our Titan Basketball Team, we say, "Thanks For A Job Well Done!"

J.V. Soccer Kicks!

The J.V. soccer team, defending league champions, did not fair quite as well as expected. The team dropped a notch to second place in the Whitmont League.

With an overall record of 8-4-2 the Titan kickers displayed the ability to play a very exciting brand of soccer. Leading the way for the Titans were juniors Ignacio Trejo and Pete Molina. These two defensive stalwarts did an excellent job of stopping offensive attacks by opposing teams. The offensive punch was provided by a talented and well-coordinated front line consisting of Eddie Trejo, George Casillas, Alex Vieyra and German Ledesma. Heleo Espinoza is also credited for his tireless play.

In retrospect coach Carlos Casillas said, "Except for a couple of games where we lacked intensity, I believe the season was successful and rewarding."

Standing — Carlos Casillas (coach), Ignacio Trejo, Carlos Del Prado, Rudy Lujan, Heleo Espinoza, Eddie Trejo, George Casillas, Albert Vanson, Cano Gonzales, Luis Godinez, Alex Moreno, Jose Plasencia, Rudi Raman. Kneeling — Valdemar Monroy, Juan Frausto, Alfred Lopez, Jose Solis, Ignacio Lugo, G. Ledesma, Jose Cerda, Joe Herrera, Alex Vieyra, Angel Gonzalea, Eutmio Sanchez.

7 Wrestlers Go to C.I.F.

The Varsity wrestling has enjoyed one of the finest seasons in the past 10 years. Finishing second by 1 point in a tough match against Santa Fe. This year's team known as the TITAN EXPRESS was filled with a number of outstanding wrestlers. The J.V. team was co-league champion, first in Pioneers history. Pioneer placed 7 wrestlers in League Finals, to qualify for C.I.F. The Titan teams have 3 League Champions; the most in the past 6 years:

Heavy Wt. Fred Franco
194 lbs. Robert Arredondo
168 lbs. Greg Williams

This has been the most successful and exciting year in Pioneer history.

TITAN GOLF TEAM

The 1980 varsity golf team has five returning lettermen from last year's Whitmont League championship team. Last year's team achieved many firsts. It was our first team in over 15 years to win a league championship, participate in past season C.I.F. competition, win matches at away country clubs, and average overall about 80 per man.

This year's team was led by senior Ken Conant. Ken has been a medalist in many league and practice matches. Returning juniors are: Robert Becker (a very determined competitor), Joe Navarro (a very consistent and methodical golfer), Steve Yamamoto (a dependable and self-styled golfer). We also have one returning tenth-grader, David Sequeida, who received the "Most Improved" award last year.

The chief goal of this year's team is to break "200" in as many matches as possible. Any team that can accomplish that goal can be competitive against any high school team.

The 1980 Boys' Swim Team had a very competitive season. Coached by Mr. Rick Hernandez, the boys gave a very tough competition to opposing teams.

Titan Baseball

a

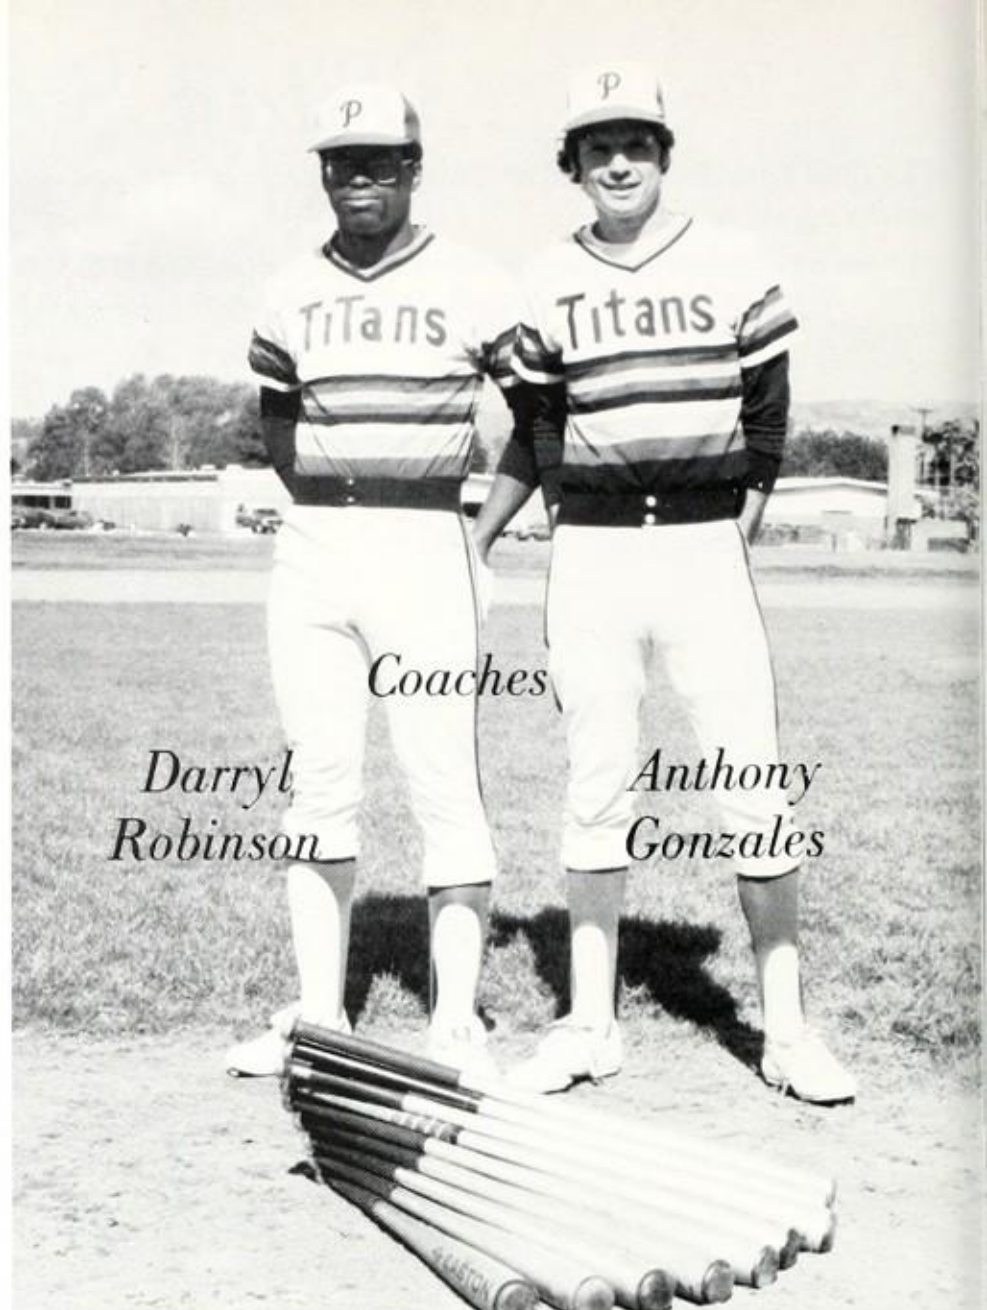

Grand Slam

The pre-season outlook for Titan baseball was promising at press time.

"Every spring Titan baseball brings excitement and enthusiasm. This season is no exception," commented Coach Anthony Gonzales.

The team is exceptionally well-rounded consisting of eleven returning lettermen, nine starters, plus transfered Sierra students.

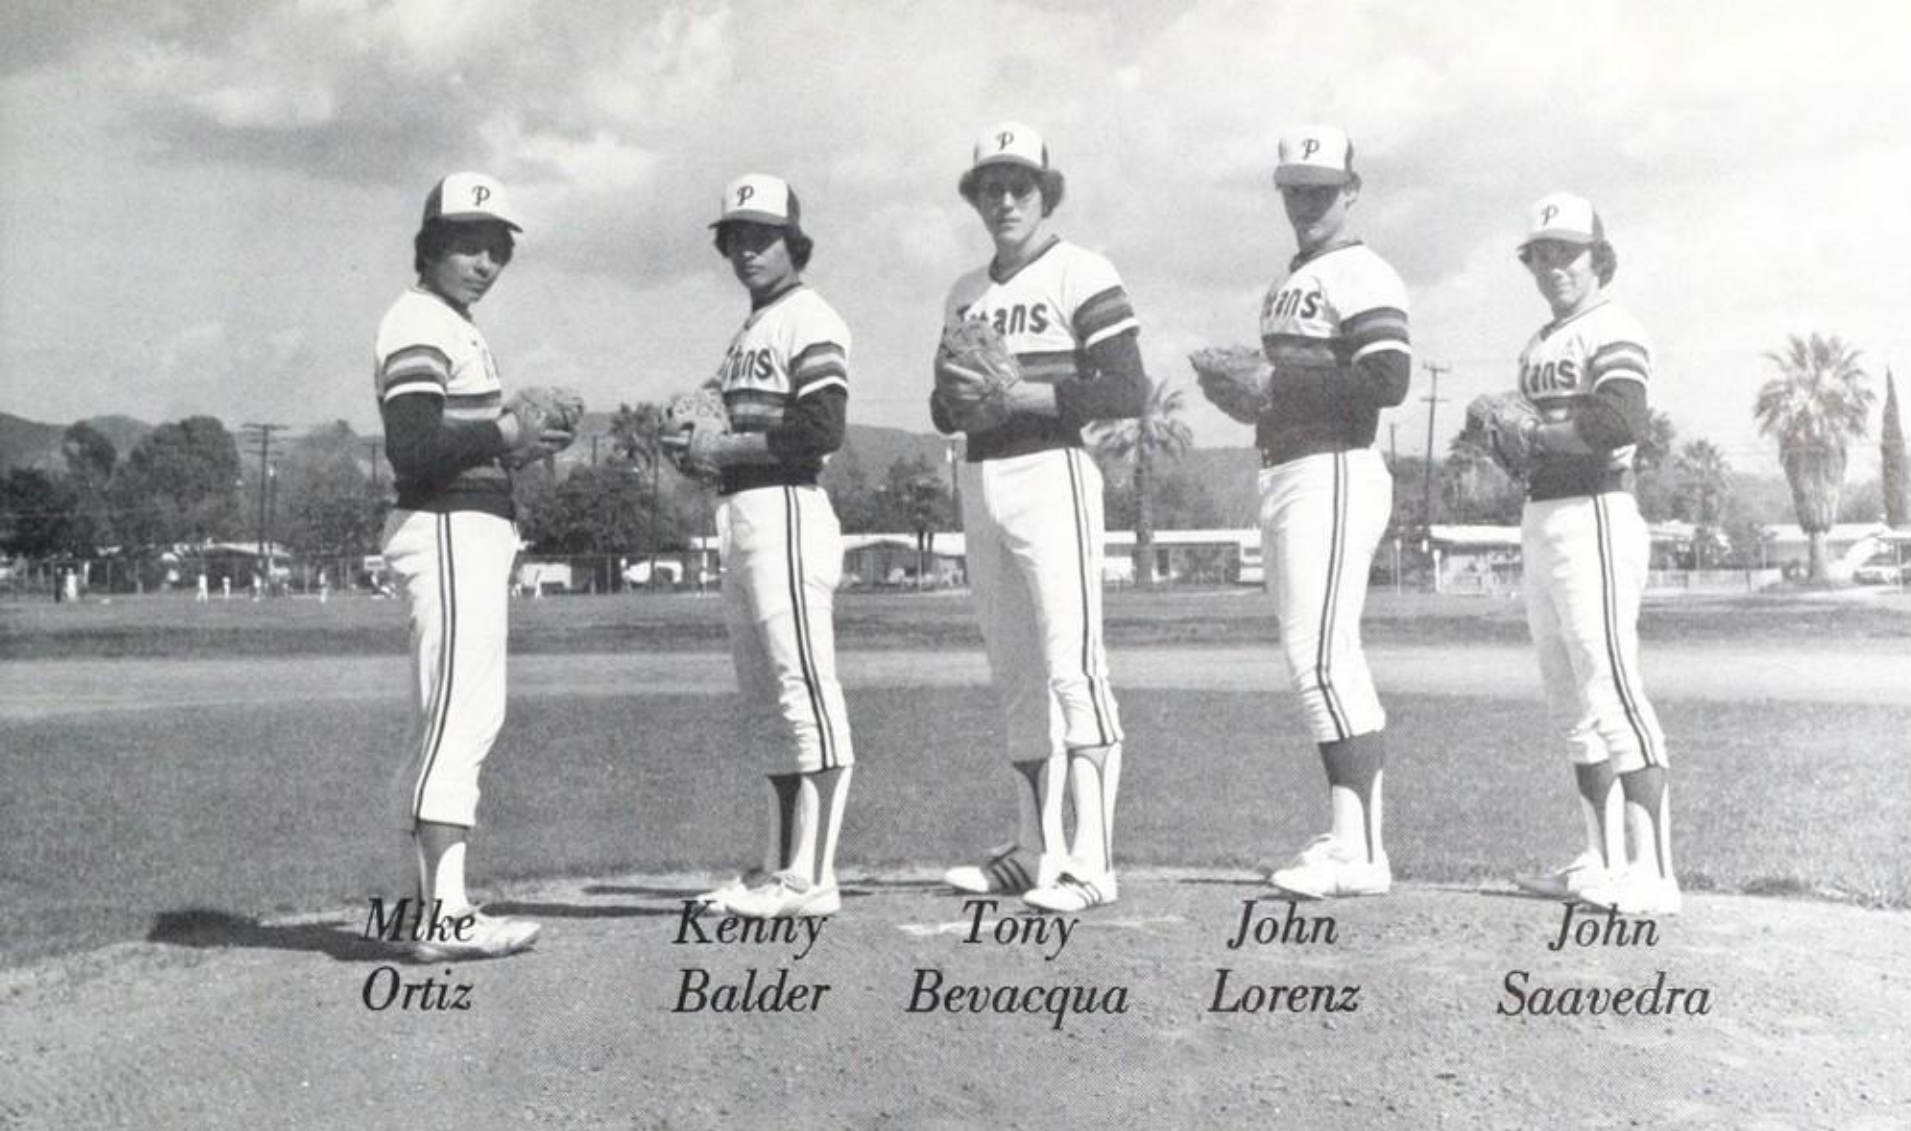

Although the Titans will have experience and maturity Coach Gonzales feels that the key to a successful season is player attitude.

Something New in '82

Inspired by the leadership of President Franci Bennett and Advisor Matthew Belan, the Sophomore Class Council had a profitable year.

During their fund raising endeavors they ran concessions at dances and basketball games. They also sold mistletoe during the Christmas season and held a jog-a-thon.

Freshmen . . . On the Way Up

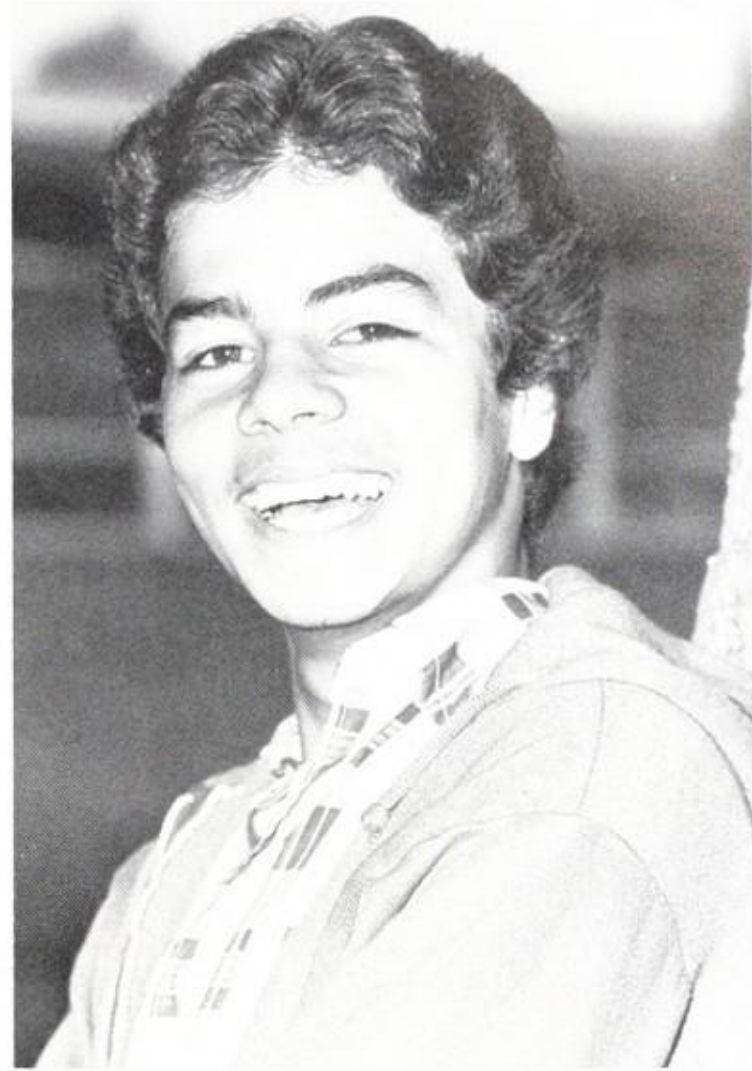

The Class of '83, led by Jay Moreno and advisor Miss Carole Gerlach, had a great year. Their activities consisted of candy sales, car washes; concession sales at dances. This was an enthusiastic and rewarding first year for Pioneer freshmen.

District Leadership

After the District Administrators and Board of Trustees decided to close two schools last year they worked to create a feasible plan for student relocation, bussing schedules, and teacher reassignments. The reports they have received state that relocated students have adjusted well to their new schools, and each campus is running smoothly.

In addition to preparing the new reassignment plan, the Board of Trustees decided to offer seven acres of property on the Cal Hi campus for 130,000 per acre. The district administrative offices were also offered for sale, since they are tentatively scheduled to move to the Sierra Central Campus.

Last November, Roy Salas was newly elected as a Board of Trustee member.

This Is Just the Beginning Exclaims New Principal Mr. Eicholtz

At the Welcome Assembly in September, I stated that Pioneer is a very fine school, but that we wouldn't be satisfied until Pioneer is considered the best school in the community. In the opinion of many, Pioneer has taken giant strides in that direction. Let's list some of the reasons why we can feel a sense of pride in our accomplishments.

Through your efforts, Pioneer is now considered the cleanest campus in the community, and we have the second best attendance record in the District. Grade reports from colleges show that our graduates compete very well with graduates from other high schools in California. In addition, we receive more than our share of scholarships. Our special programs (Title I, Expanded Horizons, School Improvement, Special Education, Remedial Reading, and Individualized Math) are helping to bring all students up to or to exceed grade level in reading, math, and language. Pioneer, for example, has more than doubled the number of students in the math program in comparison to last year. The college counseling program is increasing annually the number of Pioneer students who consider college as an option.

Last year — and I'm sure again this year — Pioneer will be named the most outstanding school in athletics as determined by the *Daily News* sports writers. I don't have to extol the abilities of the Band, Drill Team, Pepsters; they are outstanding. In addition, Pioneer enjoys tremendous support from parents through their participation in the Booster Club, PTA, Band Boosters, Drill Team Boosters, and other parent support groups.

Pioneer has experienced virtually no violence on campus this year; and the friendliness and dedication of our student body is not surpassed by any other school in the community. This is one of the strong reasons why the Sierra and Pioneer student bodies have fused into such an outstanding team for the benefit of the school. The spirit of cooperation is reflected, not only on the campus, but in the student government. I'm very impressed with leadership that has been provided by the joint Pioneer-Sierra cabinet members and their ability to work together in the best interest of the school.

In addition, students' reaction to the Pioneer staff (including secretaries and custodians) and the additions from Sierra and Monte Vista has been positive. We have an outstanding teaching staff that cares about students and is willing to coach, serve as club advisors, supervise, work with students and parents, and go "the extra mile" to make this a great school. We have and will continue to increase the number of Spanish speaking staff members at Pioneer. The Conversational Spanish Course that is now offered to all interested teachers is an attempt to build understanding between teachers, students, and parents.

This is just the beginning! With the painting of all the buildings, lockers, and gyms next summer, the replacement of all old shrubs with new, and the new air conditioning, we will have a beautiful place to spend our days. I hope all of you share my enthusiasm for the future.

Pat yourselves on the back! We are well on the way to reaching our objective of being "THE BEST!" Let's continue working as a team to make this objective a reality.

My very best wishes to our graduates for success and happiness in the future.

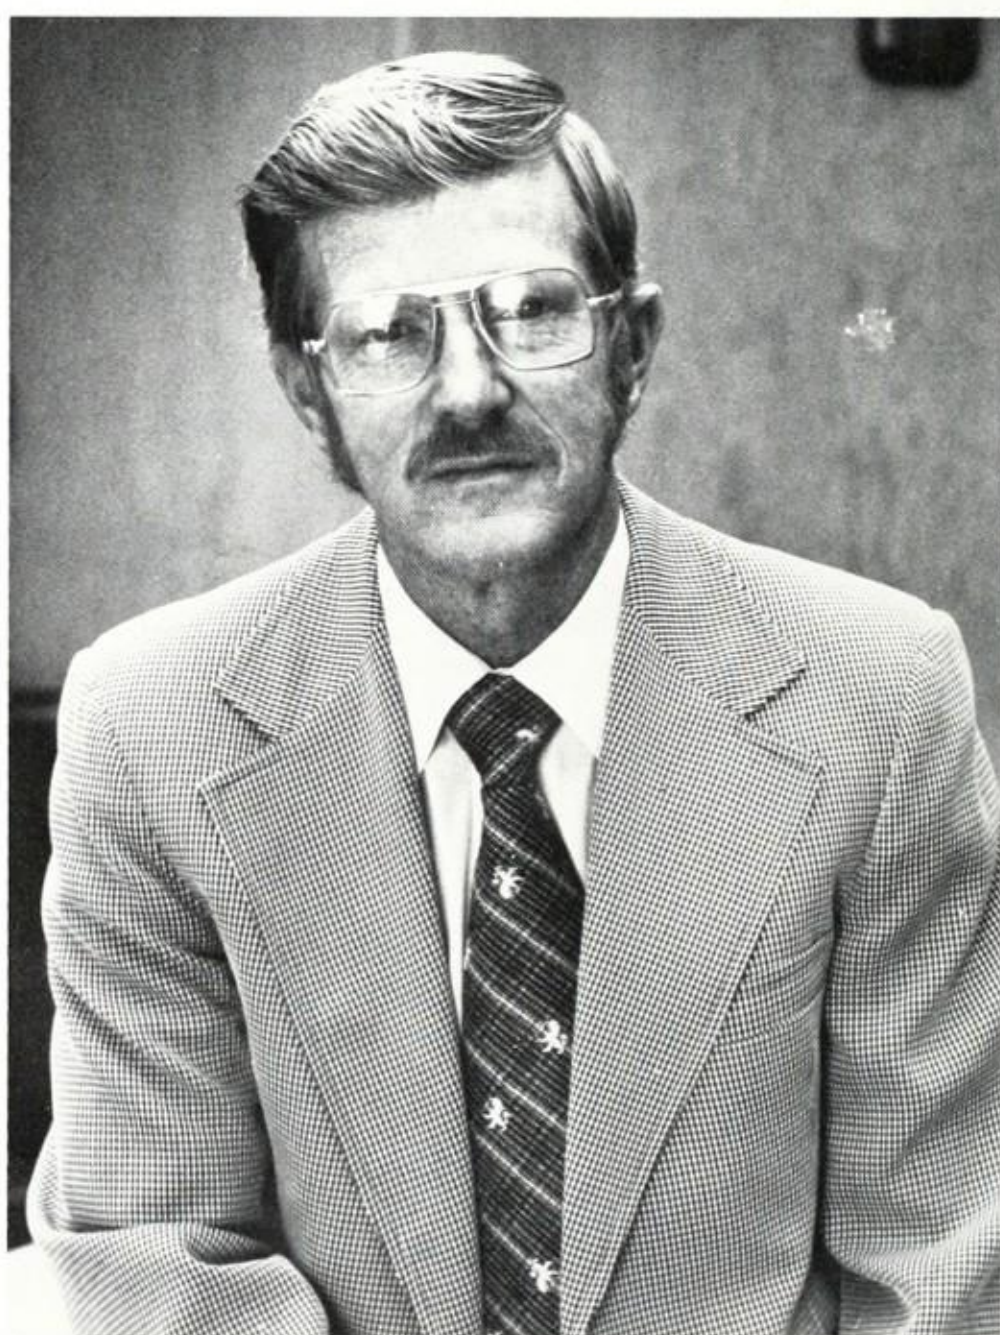

Administrators Strive for Excellence

The Administrative staff at Pioneer is involved with almost every nuance of campus life.

Mr. Dick Torres coordinates all student activities and business matters. Guidance is headed by Mr. Del Rock, who came from Sierra High School. Mr. J. C. Low, formerly Asst. Principal of Guidance, now coordinates all classes and directs the student program in Curriculum.

The administrators work behind-the-scenes to keep a sense of unity and progress at Pioneer High.

Dedicated Counselors Serve Students

The student body of Pioneer is fortunate to have a dedicated group of counselors. They are willing and ready to help students with any problems that may arise.

Pi Hi Crews Strive for Perfection

Pioneer is fortunate to have a custodial crew that cares about our school. The campus is always well kept due to their constant efforts to keep the school and shrubbery clean. In addition to keeping the school grounds clean, they also help students set up equipment for various activities. Mario Mendez, who came from the Sierra campus, is now plant foreman.

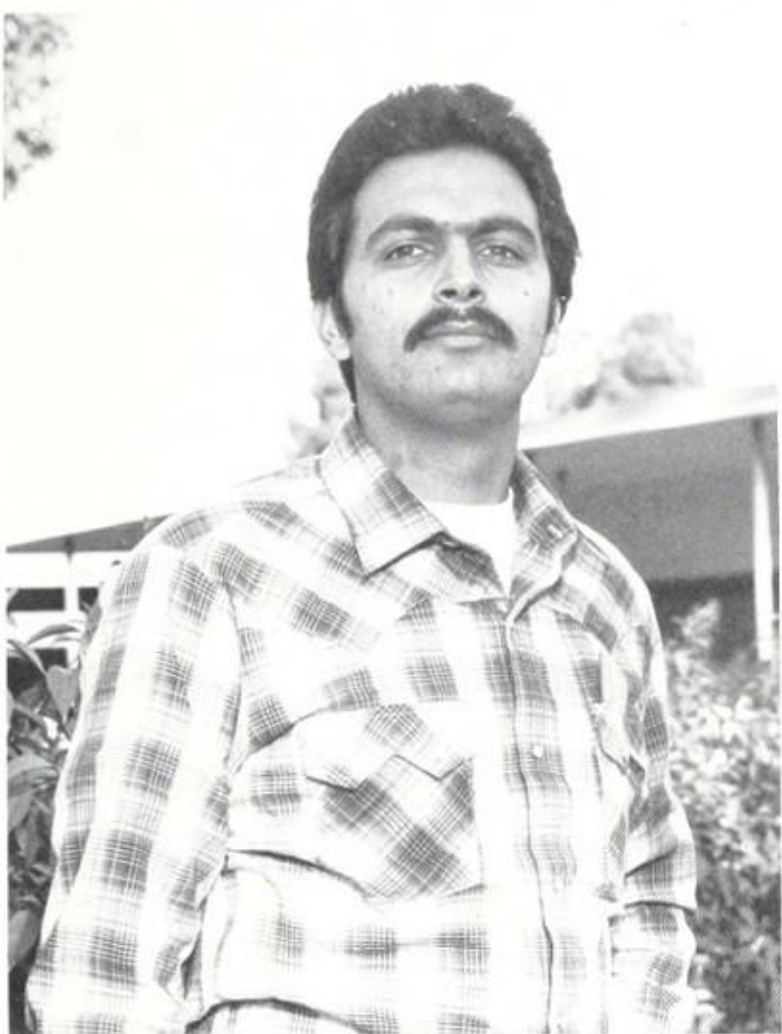

The Cafeteria crew is run efficiently by Mrs. Beverly Newell, who has been the manager of the crew for three years. They work hard at preparing meals and snacks for students.

Elizabeth Fowler and John Cavataio are very important members of the campus crew. The Girls' and Boys' locker rooms are run smoothly by them, and they are always willing to lend students a helping hand.

Pioneer Greet Kofu Students

Pioneer welcomed the Yamamanashi students from Japan during the month of March. Yamanashi High School is located in Kofu, about 150 miles west of Tokyo. From Kofu you can see famous Mt. Fujiyama. Our Japanese friends were guests in the homes of Pioneer students. The International Club sponsored the various trips to historical sites; museums, and our local amusement parks.
